| English | Science | Math | Arts and PE |
|--|--|---|---|
| Special Naming Words (Proper Noun and Common Noun) <ul style="list-style-type: none">to identify, know the difference and use common and proper nouns in simple sentences | Caring for our Body <ul style="list-style-type: none">to understand the importance of good hygiene and to practice it at home and at school | Measurement: Money, Coins, Totals <ul style="list-style-type: none">to practice counting money (bills and coins) and to be familiar with the different denominationsto use money in simple addition | Arts: "Personalized Bookmark" <ul style="list-style-type: none">to display children's creativity in making their own designsto work independently P.E: "Hole-In-One" <ul style="list-style-type: none">to practice underarm throw in a long distanceto develop numeracy by counting |

Things to Remember:

- Please bring the following for our activities this week:
Fruity Friday: 2 cooked pancakes, 1 small bottle of pancake syrup and sliced bananas in a deep container.
Math: Play money (bills and cons), due on Thursday
- Anti-bullying Day on Friday, 15th September. Please come to school dressed in blue.
- Parent-Link Activities will be given every Friday starting this week to help you prepare the necessary materials.

Activities at Home:

Through this topic, we will be exploring about money and the different ways in taking care of our bodies. Our suggested activities are:

- Talk about proper hygiene and self-care routines with your child as you go through the day. Ask him/her why it is important to take care of our body.
- You may do grocery shopping with your child.
- Make a DIY piggy bank and explore the idea of saving. You may send the piggy bank to school for a show and tell.

Homework Section: (to be submitted every Friday of the following week)

None
